Because McDade ISD is closed until further notice, we will be delivering two meals each day to all students that ride a bus, or if your child does not ride a bus, you may pick these meals up at the high school between 8 a.m. and 11:30 a.m. each day.

Teachers will send packets of school work for students home with these meals. The first set of meals and packets will be delivered between 8 a.m. and 11:30 a.m. on Wednesday, March 25. A parent or older child will need to meet the bus to pick up meals and packets. Following Wednesday's delivery, packets will be delivered every Monday. Meals will be delivered every day. Buses will arrive at your home around two hours later than normal morning pick up times.

Technology devices will also be delivered to students in grades 5 and 6 on Wednesday morning. Student's in grades 7 through 12 that left their technology devices at school will need to contact their teacher to arrange for pick up.

Students in grades Pre-Kindergarten through grades four will complete packets that will be returned and graded by their child's teacher. Students in grades 5 through 12 will complete online work that will be graded by their teacher. These grades will be recorded and averaged with previous grades to determine if the student progresses to the next grade level.

All teachers will be communicating with parents and students through Google Classroom. If you have questions, please email your child's teacher. Please watch for phone calls and emails from your child's teacher beginning Monday, March 23.
